Mr. Carmichael,

Here's the PDF that you requested from the emails that were already sent to you.

Also, please know that I do not have the power to decide when and what is sent to you. I am the facilitator of these requests and ensure they are handled – but I can't control the speed.

FOIA requests are reviewed by our attorneys to ensure we are following the law but also protecting student/employee privacy. The materials requested then must be collected by our staff (who also have other job responsibilities) and in most cases, the items are then reviewed again for privacy purposes.
