Subject: Resources from our morning meeting
Attachments: Gender Support Guidelines.pdf

Thank you for meeting this morning. Attached is the powerpoint as promised. Again, our school attorney is Church, Church, Hittle and Antrim. Our Equity Coach is Nataki Pettigrew and our Title IX Coordinator is Ryan Taylor. They are great resources if you have additional questions. There is also language in [Board Policy](#) and the Teacher Handbook that provides guidance as well. Please let me know if you have other questions. If you do have questions, please ask them in person.

Thanks-
